ASIA**

giving hope to the children of Pakistan

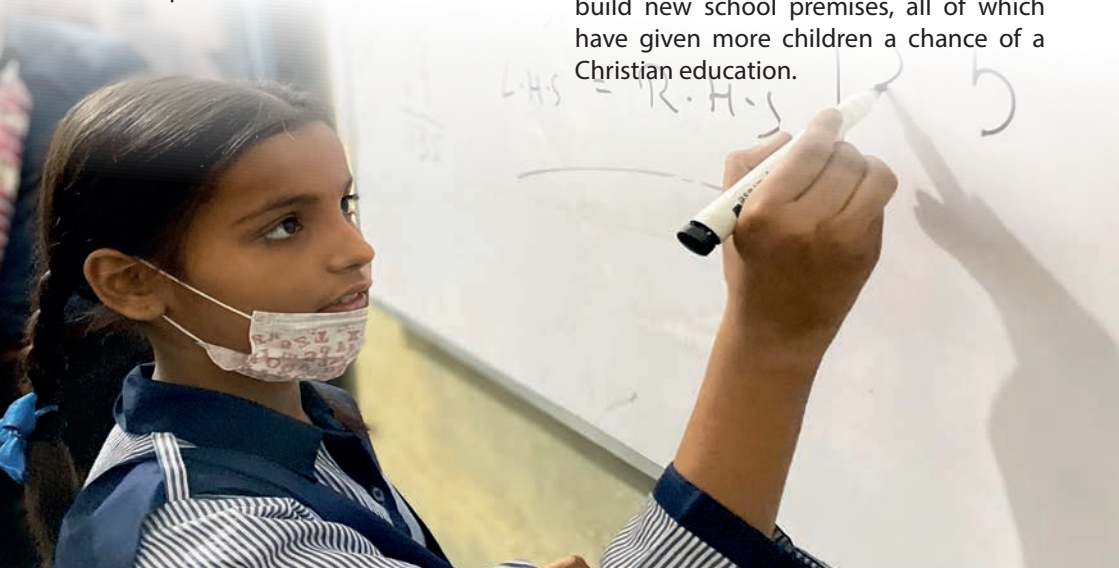

**Writing your will today can change a life tomorrow**

# A legacy that will last beyond your lifetime

For over 20 years, the unwavering and faithful commitment of supporters has fuelled our mission to provide quality education to underprivileged Christian children in Pakistan. Our projects are run independently by trusted local people who have a vision to bring about change in their communities. We believe that education will strengthen communities to eventually support themselves, giving them hope and a future.

Remembering us in your will can leave a legacy that echoes through generations, ensuring that our commitment to quality education remains a beacon of hope for your brothers and sisters in need. You can bring dignity and hope to Christian children. **You can make a difference.**

Legacy giving in the past has enabled us to invest in school development, increase the number of schools we support and even build new school premises, all of which have given more children a chance of a Christian education.

**£1000** buys much needed equipment for a school e.g. computers, water coolers and fans.

**£2500** provides a solar panel system, giving reliable and cheap electricity for the next 20 years.

**£5000** provides a complete scholarship for a degree student, opening a world of opportunities.

**£25,000** provides a year's support for 5 new schools looking to improve the quality of education.

**£50,000** funds a new school building, saving on rent and offering a place of learning for the future.

# The benefits of making a will

## Thoughtful planning

A will ensures you take care of your family and friends and make a lasting investment in the next generation. To die without making a will can result in complications for your heirs and your wishes may never be fulfilled.

## Peace of Mind

A will enables you to make a substantial donation to a Charity of your choice, underscoring your commitment to provide for the wider world.

## Making an Impact

Leaving a gift, no matter how large or small, makes a tangible difference to those who will benefit in the future.

Of all the ways in which people contribute to the vital work of Starfish Asia, one of the most valuable is leaving a gift in their will.

Devin Scobie is a long-term supporter of Starfish Asia, living in Edinburgh. With grown up children and a mortgage paid off, he and his wife updated their wills and decided to include the charity as a beneficiary. Devin explains why:

*“I’ve been a supporter of Starfish Asia for many years and leaving a legacy seemed the obvious thing to do. It literally costs me nothing but the impact on the lives of Pakistan’s Christian children will be immense. Even a small sum can do so much good and I would urge everyone to consider remembering Starfish when they update their own wills.”*

*“One generation shall commend your works to another, and shall declare your mighty acts”*

Psalms 145:4
